

## SCRIP PROGRAM

We at Saints Peter & Paul School take part in the RaiseRight scrip program. Essentially it means that we (as a school) can purchase gift certificates at a reduced price and sell them to parents and community members at the face value price. This is a way that we earn money for the school without costing parents an additional cent.

We keep a limited number of gift cards on hand at all times. Others will need to be ordered. The order form only has a small sampling of the certificates available. You can download the "RaiseRight" app on your phone or create an online account to view all certificates available and make an instant purchase. By using the app or online account, you have immediate access to e-gift cards and the option to have cards sent directly to your home. All you need to do is link a bank account or credit card (a small processing fee may apply) to your RaiseRight account. Link to online & QR Code are below for easy access to our school's profile for family ordering.

How does the school earn money? If you see on the form there is a percentage next to the store name. A \$25 Applebees card is listed at 8%. The school will purchase the card for \$23 – you will pay the face value of \$25 and the school will earn \$2.

### **2024 Order Date**

The office will place an order and release any orders that were made using the RaiseRight App & online platform that require shipping to the school on Monday, November 25, 2024 to ensure cards are delivered before the Christmas break. We need to pay shipping every time an order is placed that needs to be shipped to the school; so, we want to make sure our order profit exceeds our shipping expense. We appreciate your understanding.
